

**"Alabastine," a Fire Proof Cement**

ALABASTINE is not only the best inside coating in the world for churches, opera houses, club houses, office buildings, and dwellings, but is used everywhere for factories, cotton mills, army posts, plantation buildings, hospitals, asylums, etc., largely on account of its fire-proof properties. ALABASTINE is perfectly fire-proof in its nature, is a cement that can be mixed thick and used in filling cracks, and sets very hard over night. Is cheaper than and superior to paint.

**Wall Paper vs. Alabastine**

Think of having bedrooms covered with layers of moulding flour paste to feed vermin, with paper to hide them and to absorb the moisture of respiration, and an animal glue culture ground on its face for disease germs; also of repeating this papering without removing the old, and a number of times, at that, as many do. Then think of a room coated with pure, permanent ALABASTINE, which is retined with but little trouble or expense, and is purifying and sweet-smelling. ALABASTINE cements cracks, shutting out vermin.

**Sports Of All Sorts Are To Be  
Offered Daily For Big Fleet**

Beginning with tomorrow, sports promoted by the Fleet sub-committee with such in charge, and by private parties, will be constantly in progress at various places throughout the city. Baseball is on every afternoon at Ania Park, and boxing and wrestling every evening at the old Fishmarket on Alakea street and the city front. Besides this, local promoters have boxing and wrestling matches on; there is to be a boating regatta, and a field day, and also some baseball at the week-end at the Ball Park, under the auspices of the Honolulu Baseball League.

Sporting events, as promoted and planned by the committee, with those which private parties are promoting added, are, for the time the Fleet will be here, as follows:

**Friday, July 17—Wild West Show,** Kapiolani Park, 1 to 5 p. m.; **Baseball,** Ania Park, 1:30 p. m.; **Boxing,** Wrestling, and Tug-of-War at the Fishmarket, 7:30 p. m.; **Boxing** at Independence Hall, South King street, 8 p. m.

**Sunday, July 19—Regatta** at Waikiki Beach, 2 to 5 p. m.; **Baseball** at Kapiolani Park, 3 p. m.; **Baseball,** St. Louis vs. Santa Clara and Diamond Heads vs. Kelo, 1:45 p. m.

**Monday, July 20—Baseball,** Ania Park, 1:30 p. m.; **Boxing and Tug-of-War,** Fishmarket, 7:30 p. m.

**Tuesday, July 21—Baseball,** Ania Park, 1:30 p. m.; **Polo,** Kapiolani Park, 3 p. m.; **Boxing** for amateurs only at Fishmarket.

**Wednesday, July 22—Baseball,** Ania Park, 1:30 p. m.; **Polo** at Kapiolani Park, 3 p. m.; **Boxing, Fleet** change, against local champs, 7:30 p. m.

**Thursday, July 23—Baseball,** Ania Park, 1:30 p. m.

Other events are under consideration by the local promoters, and will be announced from time to time as they are arranged.

**At Fishmarket.**

Between Alakea and Richards streets on the waterfront in the old Fishmarket, an open building in which a permanent postless ring and a platform for tug-of-war contests have been fixed up, free sports are arranged for by the committee in charge of indoor sports. It is the nicest place of its sort in the city, easily, and is a great credit to Chairman Paddy Ryan, who has expended not a little time and labor over it.

The place is a model of its kind. Bleachers on either side of the ring afford a view both of the boxers and the men who are doing the pulling act. About the ring is a reserved space for members of the Fleet Committee, officers of the ships, Territorial officials, and the press. The ring itself is of regulation size, with ropes covered and posts padded so as to furnish the greatest possible protection for the boxers.

**Field Meet.**

The Field Meet at Boys' Field Saturday is open to the men of the Fleet, and it is expected that a good number of entries will be had from the ships. Medals have been offered for first, second, and third places. The whole affair is strictly amateur. A gold medal with enamel will be the award for the first place, and a silver medal, also with enamel, will go to the second-place winner, while either a plain silver medal or a bronze one will be given the third-place man in each event. Besides this, the man winning the most points, individually, will be given a cup of silver. Points will be 5 for first place, 3 for second, and 1 for third. All medals will be made in the design of the Hawaiian coat-of-arms.

**Wild West Show.**

The Wild West Show at Kapiolani Park is being promoted by Eben Low and will exhibit to advantage the talents of the native and local cowboys, who are as clever as any that will be found. They come from the large ranches of Hawaii and Maui, and are as truly cowpunchers as any men one will find in Arizona or Montana. Bronco-busting, saddle-steer riding, roping, and tying, and other stunts of the sort will be on the table.

New bleachers were put up at the

Park especially for this event.

A bad bucking mule by the name of Maud has been brought to Honolulu to fill a special engagement at the Wild West Show. The mule hails from the island of Maui.

**Big Regatta.**

The regatta at Waikiki will be typically Hawaiian, including surfing, canoe-racing, and the like. It is being held somewhat in place of boat races originally planned, in which the men of the Fleet were to take part, but which were abandoned. A large appropriation has been given for this, and it is to be one of the big events of the stay of the Fleet here. Sixteen events have been arranged.

The baseball at Ania Park, which is one of the most popular diamonds in the city, is to be a fixture every afternoon. On Saturday and Sunday the Honolulu Baseball League holds forth, the ball teams from Kelo University, Japan, and from Santa Clara College, California, taking part.

**Polo.**

Polo is one of the popular sports of Hawaii, and the two days of it at Kapiolani Park will be well worth seeing. In the past, famous matches have been played here; and even now polo ponies are constantly being brought into the islands. Oahu and Kauai teams are to compete.

The Sports Committee has been in charge of A. L. C. Atkinson. A number of branches of sport which the committee originally looked into as possibilities for this time were abandoned when it was found that the men of the Fleet would probably not care to take part in them.

Baseball will probably be played, the games to be made through the Y. M. C. A.

Independence Hall, the stand of Jack Scully, out on S. King street, has seen the best boxing bouts of the city so far, and is a popular resort, as Jack is one of the leading sports of Honolulu.

The Central Athletic Club, on Hotel street, is another boxing center. It boasts an open air arena, the only one of its kind here.

The Hawaiian Midway, on Richards and Queen Streets, is another stand where athletic amusements will be going constantly forward—Tug-of-War, Wrestling, and the like.
